Environmental Policy

The Director of Strategy Plus UK Ltd, 309f 120 Vyse St, Birmingham B18 6NE recognises our responsibility to manage the environmental impacts of our activities and services. We have assessed our activities and identified that our significant environmental impacts include;

- Office waste such as ink cartridges & paper – We Recycle both
- Electricity - We ensure that we limit the use of electricity as much as possible.
- Travel - We offer the cycle to work scheme to reduce carbon emissions to and from work. The only car used for sales meeting is limited to a 1.2 litre fuel efficient car.

In order to promote good environmental practices, our Environment Policy is as follows:

- To identify the environmental impacts of our activities.
- To apply appropriate operational procedures to minimise our environmental impacts.
- To recycle any waste possible
- To ensure that everyone within Strategy Plus understands our environmental responsibilities.
- To look to our suppliers to ensure they can do all they can to minimise their impact on the environment
